32

New high quality print

These bottles have been added to our assortment because they are especially suitable for a new printing technique: sublimation. With this new technique we print logo's and photo's in the highest quality. The white bottles are the perfect canvas for your colourful image and message. The imprint is sharp, detailed, and very durable. With a bottle personalised with the sublimation technique, you will impress all summer long and many summers to come.

9232
